### ABOUT US

CSI was founded in Tallahassee, FL in July of 2000. Our mission is to provide quality contract and permanent IT resources rapidly and cost effectively to our clients. We plan to continue to expand. Our business has been recognized as one of the fastest growing businesses in America by both Entrepreneur and Inc Magazine. We believe that our commitment to our clients' success and our ability to deliver are the key drivers of our steady growth over the years, and we are proud to have been selected as the supplier of the year by more than just one of our clients. Although we've done projects in 28 countries around the world to date, CSI helps companies of all shapes and sizes. Whether you are a US based or global company, whether you're developing a strategy to move to the cloud, developing actionable business intelligence, or just increasing the efficiency of your supply chain, CSI can help. We have a proven track record of providing great people with the knowledge, skills and experience to get the job done right the first time. We would love the opportunity to discuss how we could help your business.
